# Atelier Boonen - Fichet Silver Gold Carat Pyramis

## Additional information

brand: Fichet Bauche

Fichet Silver, Gold, Carat & Pyramis – over 20 years as a benchmark in certified safes

The Fichet Silver, Gold, Carat and Pyramis safes have been the industry benchmark for certified burglary protection for over two decades. With their robust build, precise engineering and proven reliability, these models became a globally recognised standard in safe manufacturing.

Each Fichet safe is certified according to EN 1143-1, with increasing grades: Silver (Grade III), Gold (Grade IV), Carat (Grade V) and Pyramis (Grade VI). These safes were tested and certified by independent bodies such as ECB·S and A2P.

Their multi-layered steel structure is filled with Fichet's patented CM composite material, engineered for superior resistance. The locking mechanism uses multiple steel bolts, and a reinforced hinge-side locking profile prevents prying attacks. A passive relocker system automatically activates in case of forced entry.

The safes were available with high-security locking options, including the MxB key lock, Moneo mechanical code lock, or the Ev'Hora electronic lock.

While these iconic safes are now discontinued, their legacy lives on in the Fichet InviKtus – a new generation of certified safes with added resistance to fire and explosive attacks.

delivery and installation by our own team.

Burglary resistant Class 3,4,5,6
Indicative value retention class 3: € 45 000 cash or € 90 000 valuables
Indicative value retention class 4: € 75 000 cash or € 150 000 valuables
Indicative value retention class 5: € 125 000 cash or € 250 000 valuables
Indicative value retention class 6: € 250 000 cash or € 500 000 valuables

- Tested by VdS and certified by ECB·S in accordance with European standard EN 1143-1 in Grades III,IV,V and VI.
- Multi-walled door and body padded with Fichet-Bauche patented Gradium composite for an optimized weight to volume ratio
- Three-sided locking with steel bolts
- Lock and frame protected with additional armoring and passive locking system
- Hook-in profile on the hinge side
- Fitted as standard with a Fichet-Bauche Mxb key lock and mechanical code lock Moneo
- Height adjustable shelves
- Prepared for anchoring
- Color: pearl grey

# Model specifications

| Model | Outer dimensions (mm) | Internal dimensions (mm) | Volume (L) | Weight (kg) | Shelves |
