INVIKTUS

by Fichet-Bauche

The only name for
triple-certified
strength and resistance

Fichet-Bauche's policy is one of continuous improvement. Specifications may be subject to alteration from time to time without prior notice. FBGB.6036.R1

Lock in triple-certified protection

The InviKtus range has been tested and certified to the highest European standards, including the European Certification Board of Security (ECB•S)'s EN 1143-1 standard and the French Centre National de Prévention et de Protection (CNPP)'s A2p label. Rest assured knowing your valuables and important documents are protected by triple certification against burglary (EN 1143-1 A2p), fire (NT Fire 017 – 60 Paper) and explosives (EN 1143-1 EX A2p). Choose from a range of A2p/EN 1300-certified mechanical and electronic lock combinations, including MxB, Moneo and GSL 1000.

Select the option that meets your security needs

A variety of protection grades and sizes meets your every security need. Opt for one of six sizes available per grade from 140- to 1120-litre capacity.

Enjoy a practical yet stylish design

Shorter, shallower and 10–25% lighter: the new design provides on a number of features, offering an enhanced, user-friendly experience. Open and close the safe more easily with the two new handles (one opening, one pull). Gain peace of mind with secure bolt work, including four lateral steel bolts, one bottom bolt and a fully anchoring lateral bar. Admire the attractive appearance, featuring a stylish dark blue colour with silver handles.

Choose from six functional sizes
