

## Atelier Boonen - Salvus Ferrara

### Additional information

brand: Salvus safes

Salvus Ferrara - Burglary-resistant safe (EN 1143-1 Grade I, ECB·S)

The Salvus Ferrara is a burglary-resistant safe certified to EN 1143-1, Grade I, and approved by ECB·S. It features a multi-walled steel body and a three-sided locking mechanism with solid steel bolts.

The safe is equipped with internal hinges and allows a door opening up to 90°, housed in a compact design with no protruding elements. It comes standard with an EN 1300-certified double-bit key lock, with optional upgrades to a mechanical combination lock or electronic code lock.

The Salvus Ferrara is available in various sizes, finished in RAL 7024 graphite grey, with adjustable shelves and pre-drilled anchoring holes in the base.
