

## Atelier Boonen - Fichet-Bauche Millium

### Additional information

brand: Fichet Bauche

Fichet-Bauche Millium - Certified burglary-resistant safe (Grade I, II or III - EN 1143-1)

The Millium safe by Fichet-Bauche is a compact and reliable solution for environments requiring certified burglary resistance. It is approved according to EN 1143-1, in Grade I, II or III, with dual certification from ECB•S and the French A2P label.

Its multi-wall construction is reinforced with Gradium®, a patented composite material developed by Fichet-Bauche. This innovative armour offers high resistance with thin walls, maximizing internal volume without compromising strength. The door is secured by a full-height vertical locking bolt, operated via an ergonomic handle. On the hinge side, an interlocking profile prevents successful hinge attacks.

In the event of a break-in attempt, a passive relocking system automatically blocks the locking mechanism.

The Millium is equipped as standard with one or two EN 1300-certified locks, including the MxB-B key lock, combined with either a mechanical or electronic code lock (Moneo, MC4, Nectra or KelNet). For secure anchoring, each safe includes five fixing points in the base and one in the rear wall. Available in six sizes, from 40 to 370 litres, in a discreet and professional design.

Burglary resistant Class 1,2,3

Indicated value retention class 1: € 10 000 cash or € 20 000 valuables

Indicated value retention class 2: € 25 000 cash or € 50 000 valuables

Indicated value retention class 3: € 45 000 cash or € 90 000 valuables

- Tested and certified by ECBS in accordance with European standard EN 1143-1 in Grades I, II and III
- Multi-walled door and body padded with a Gadium composite patented by Fichet-Bauche for an optimized weight-to-volume ratio
- Single latch running through the safe from top to bottom for reinforced locking
- Lock and latch protects with additional armoring and passive locking system
- Hook-in profile on the hinge side
- Standard equipped with a Fichet-Bauche Mxb key lock and mechanical code lock MC4.
- Shelves adjustable in height
- Prepared for anchoring
- Color: light gray
