De Raat Lloyd Plus - Armoured archive cabinet with double-walled steel construction

The Lloyd Plus armoured archive cabinet provides secure and organised storage for documents, files and important papers. Its double-walled steel construction is filled with insulating material for added protection.

The robustly built doors fit flush with the cabinet body for enhanced security. Standard equipment includes an EN 1300-certified double-bitted key lock, with optional mechanical combination lock or electronic code lock available.

With a wide range of accessories – such as adjustable shelves, pull-out drawers and hanging file rails – this armoured cabinet can be customised to suit various archiving needs. The durable finish and professional design make the Lloyd Plus ideal for offices, archives and secure storage rooms.
