

Atelier Boonen - Salvus Verona HS

Additional information

brand: Salvus safes

Salvus Verona HS - Security cabinet for documents and valuables

The Salvus Verona HS is a double-walled steel security cabinet, ideal for the safe storage of documents and valuables such as laptops, smartphones, and cameras. It features three-sided locking with solid steel bolts and fixed bolts on the hinge side.

External hinges allow the door to open 180°. Supplied as standard with an EN 1300-certified double-bitted key lock, with optional mechanical or electronic code locks.

Adjustable shelves provide flexible organisation. Pre-drilled base holes allow for floor anchoring. Available in four models (230–831 litres) in light grey (RAL 7035) or anthracite grey (RAL 7016).

- Three-sided locking with steel bolts
- Standard with a double bit key lock
- Shelves adjustable in height
- Anchor holes provided in the bottom
- Color: light gray or anthracite gray
