Additional information

brand: Fichet Bauche

Fichet-Bauche Enigma - Security cabinet for sensitive documents (IGI 1300 - Class B)

The Enigma security cabinet provides effective protection against unauthorized access and forced entry. It complies with the French Secret Défense requirements under IGI 1300, Class B.

Available in five capacities (250 to 1100 litres), with one or two doors. The cabinet features double-walled doors (65mm thick) and 2mm steel sheet walls. A locking mechanism triggers in case of attack, and patented hook bolts offer enhanced mechanical resistance. Multiple locking systems are available, all compliant with EN 1300 (A2P label):

M3B + 3 Tubes key lock

Moneo V mechanical combination lock

Nectra electronic combination lock

The interior is fully configurable with adjustable or reinforced shelves, pull-out trays, key racks or inner compartments. Thanks to integrated hinges, the Enigma can also be installed in side-by-side configurations. Ideal for regular access to secure documents.

- Three-side locking with hook-in shots
- Standard with a Fichet-Bauche MxB key lock and mechanical 3-button code lock
- Height adjustable shelves
- Color: Light gray/Blue
