Atelier Boonen - Fichet-Bauche Nectra

Additional information

brand: Fichet Bauche

Fichet-Bauche Nectra - Electronic lock for safes and security cabinets

The Fichet-Bauche Nectra is a high-security electronic lock designed for safes and security cabinets up to Grade V. Certified to EN 1300 Class B by ECB·S and A2P, it combines reliability, ease of use, and strong protection.

Nectra provides 1 master code and up to 8 user codes, which can be easily added or removed. Its dual custody feature (four-eyes principle) requires two different codes for opening, adding an extra layer of security.

Power is supplied by an external 9 V battery integrated into the keypad, which can be replaced quickly and easily. With its compact design and compatibility with various door and safe constructions, the Fichet-Bauche Nectra is a versatile choice for both commercial and residential security solutions.
