

## Atelier Boonen - ATB Fileprotector NT

### Additional information

brand: ATB Safes

ATB Fileprotector NT - Fire-Resistant Drawer Cabinets

The ATB Fileprotector NT fire-resistant drawer cabinets offer reliable protection for your documents. Certified by ECB-S and in accordance with the EN 15659 LFS 60P standard, the cabinet provides 60 minutes of protection for paper at temperatures up to 850°C, making it ideal for environments with a moderate fire risk, such as offices and homes.

Available in 2, 3, or 4 drawers, they are suitable for A4 and folio-format documents. The cabinet comes equipped with a central cylinder key lock and 2 keys.

The ATB Fileprotector NT features a RAL 7035 (light grey) finish and is designed for long-lasting use in demanding environments. It provides both fire protection and a practical solution for the secure and organized storage of documents.

- Fire resistant 60 or 120 minutes for paper.
- Central locking of drawers by cylinder lock

- color: light gray
