

Atelier Boonen - Burg Wächter Diplomat MTD

Additional information

brand: Burg-Wächter safes

Burg-Wächter Diplomat MTD - fire-resistant safe Grade 1

The Burg-Wächter Diplomat MTD is a certified burglary- and fire-resistant safe, designed for the secure storage of documents, cash, and valuables. It is certified to EN 1143-1, Grade 1 for burglary resistance and offers 60 minutes of fire protection for paper documents according to LFS 60 P (EN 15659), tested at 850 °C.

Its multi-walled steel construction is reinforced with specially formulated fire- and burglary-resistant concrete. A heat-expanding fire seal around the door frame protects the contents from smoke and heat in the event of a fire. The four-sided locking system features chromed round bolts, and an automatic relocking mechanism activates if a break-in attempt is detected. The safe is prepared for floor and/or wall anchoring.

Depending on the model, the Diplomat MTD is equipped with a double-bitted key lock or an electronic code lock, with the option of fingerprint access for fast and secure keyless entry.

The Burg-Wächter Diplomat MTD is a Grade 1 safe offering certified protection against burglary and fire – a reliable choice for home or office use.

Fire resistant 60 min for paper
