Atelier Boonen - Wertheim A,B and C series

Additional information

brand: Wertheim safes

Wertheim A, B and C – Certified safes (Grade I, II and III – EN 1143-1, ECB·S)

The Wertheim A, B and C series form a complete range of certified burglary-resistant safes, suitable for both private and professional use. All models are tested according to the European standard EN 1143-1 and officially certified by ECB·S, with resistance grades ranging from Grade I to Grade III.

The A series (Grade I) features a lightweight construction without filler material, making it easy to install. The safe has a double-walled body, a solid steel door, and external hinges allowing a 180° door opening. It is an excellent option for those seeking a basic certified safe.

The B series (Grade II) offers enhanced protection with a three-sided bolt locking system, reinforced lock areas, and an integrated relocker. It is prepared for floor/wall anchoring and compatible with alarm systems.

The C series (Grade III) is a high-security safe built with a multi-layered barrier structure, internal relockers and certified protection for high-risk environments or valuable contents.

All Wertheim safes come standard with an EN 1300 certified key lock, with optional mechanical or electronic locks. The series is finished in dusty grey RAL 7037.

See also our other burglary resistant safes or read how to approach buying a safe in Belgium, with delivery and installation by our own team.

Burglary resistant Class 1,2,3
Indicated value retention Class 1: € 10 000 cash or € 20 000 valuables
Indicated value retention Class 2: € 25 000 cash or € 50 000 valuables
Indicated value retention Class 3: € 45 000 cash or € 90 000 valuables

- Tested by VdS and certified by ECB·S in accordance with European standard EN 1143-1 in Grades I, II and III
- Multi-walled door and body filled with a special composite material
- Three-sided locking by means of steel bolts
- Lock and frame protected with additional armoring and passive locking system
- Hook-in profile on the hinge side
- Standard equipped with double bit key lock
- Height adjustable shelves
- Prepared for anchoring
- Color: gray RAL 7037
