Atelier Boonen - ATB PSP

Additional information

brand: ATB Safes

Fireproof document safe, 60 minutes (S60P / Grade I)

The ATB PSP fireproof safe is designed to protect documents against both fire and burglary. It offers 60 minutes of fire resistance for paper documents in accordance with EN 1047-1 (S60P), and burglary protection certified to EN 1143-1, Grade I. This paper fire protection safe is ideal for storing legal files, business records, administrative documents and contracts.

The safe features a right-hinged door with 180° opening angle, a three-spoke handle, and a four-way locking system. It has also been drop-tested from 9.15 metres, simulating floor collapse during a fire.

The ATB PSP is available with a double-bitted key lock, a mechanical combination lock, or an electronic code lock. Several sizes are available, with capacity for up to 70 ring binders.
