Atelier Boonen - ATB L safe

Additional information

brand: ATB Safes

ATB L - Burglary-resistant safe (EN 1143-1, Grade I)

The ATB L is a freestanding safe certified to EN 1143-1, Grade I. It combines an efficient, lightweight design with generous internal space and high-quality construction.

Equipped with a three-sided locking system and fixed bolts on the hinge side, the ATB L offers effective resistance against burglary attempts. The door opens 180° and is right-hinged.

Anchoring to the floor and rear wall is possible; mounting hardware is included.

The safe is available with a key lock, mechanical combination lock, or electronic code lock, with various models and options available – including time delay or audit functionality.

The ATB L series comes in multiple sizes, with internal volumes ranging from 16 to 341 litres. Manufactured in Germany, these safes offer outstanding value for money.
