# Atelier Boonen - ATB C gun safe

## Additional information

brand: ATB Safes

ATB C – Pistol safe (EN 1143-1 Grade I) for secure handgun storage

The ATB C pistol safe is designed for secure and compliant storage of handguns and pistols, in accordance with the European EN 1143-1 standard, Grade I. Based on the proven ATB L construction, this gun safe is equipped with integrated pistol racks, holding 2 to 24 handguns depending on the model.

The robust design includes a three-sided locking system with solid steel bolts and fixed locking pins on the hinge side. The door opens to 180° and is hinged on the right. The safe is prepared for floor and wall anchoring, and mounting hardware is included.

As standard, the pistol safe comes with a double-bitted key lock, but is also available with a mechanical combination lock or electronic code lock. Optional features include time delay, audit trail, or an emergency override key.

The ATB C series is available in multiple sizes up to 1400 mm in height, finished in light grey (RAL 7035) or graphite grey (RAL 7024).
