

Atelier Boonen - Fiche-Bauche Atrius

Additional information

brand: Fichet Bauche

Fichet-Bauche Atrius - certified safe, Grade IV or V (EN 1143-1)

The Atrius safe from Fichet-Bauche is certified for burglary resistance according to EN 1143-1, in Grade IV or V, with dual approval by ECB•S and the A2P label. It is designed for professional environments with high security demands.

Its multi-walled body is reinforced with a patented lightweight composite, ensuring optimal protection with reduced overall weight. The three-way locking system with solid steel bolts is reinforced on the hinge side by an interlocking profile, making hinge attacks ineffective. In the event of a break-in attempt, a passive relocking mechanism automatically activates to secure the door.

Each Atrius safe is factory-fitted with two EN 1300-certified locks: an MxB-B key lock combined with either a mechanical or electronic code lock. Optional features include DOCT alarm integration and anchoring kit.

Available in sizes from 139 to 596 litres, with adjustable shelving and interior configurations, the Fichet-Bauche Atrius safe delivers reliable, certified protection in a clean and professional design.

Burglary resistant Class 4,5

Indicated value retention Class 4: € 75 000 cash or € 150 000 valuables

Indicated value retention Class 5: € 125 000 cash or € 250 000 valuables

- Tested by CNPP and certified by ECB.S in accordance with European standard EN 1143-1 in Grades IV and V

- Multi-walled door and body padded with a GRAD-X composite patented by Fichet-Bauche for an optimized weight to volume ratio
- Three-sided locking with steel bolts
- Lock and frame protected with additional armoring and passive locking system
- Hook-in profile on the hinge side
- Fitted as standard with a Fichet-Bauche Mxb key lock and mechanical code lock Moneo
- Height adjustable shelves
- Prepared for anchoring
- Color: pearl grey
