Atelier Boonen - Technomax GCE for car keys

Additional information

brand: Technomax

Technomax GCE Car Key Safe - for 38 to 50 keys

The Technomax GCE key safe is designed for secure storage of individual keys and bulky key rings. All models come with large key hooks; the GCE 50 XL model features extra-wide spacing between hooks. Model 87 includes an internal compartment in the door, secured with a magnetic closure. Equipped with an electronic code lock and emergency override key. Certified to EN 14 450 – Security Level 2, and compliant with RDW and BOVAG requirements. Internal hinges allow a 90° door opening. The door and lock are completely flush, with no protruding parts. Prepared for solid wall mounting. Finish: black.
