Atelier Boonen - Cash drawer safe

Additional information

brand: Salvus safes

Cash Drawer Safe – Modular Storage Solution for Cash Drawers

This safe is designed for secure, compartmentalised storage of cash drawers, including ADS-type units (clearance opening 140 × 190 mm). Each module includes four separate compartments, each fitted with a robust double-bitted key lock and supplied with two keys.

The construction is fully modular and can be expanded both vertically and horizontally without limit. Doors open to 90°. Each compartment is prepared for anchoring with two mounting holes in the base and two in the rear panel.

The unit is finished in light grey (RAL 7035). Various customisation and expansion options are available on request – please contact us for further details.

See also our other security cabinets or read how to approach buying a safe in Belgium, with delivery and

installation by our own team.
