

Atelier Boonen - DRS Wuppertal / Berlin

Additional information

brand: De Raat Safes

Certified fire- and burglary-resistant safes (S60P / S120P - Grade I)

The DRS Wuppertal and Berlin are certified safes combining Grade I burglary resistance with a high level of fire protection in accordance with EN 1047-1. Both models are designed for the secure storage of documents and other important belongings.

The Wuppertal series offers 60 minutes of fire protection (S60P), while the Berlin series provides an enhanced level of protection with 120 minutes of fire resistance (S120P). Both are certified to the strict standards of EN 1143-1 and EN 1047-1, including drop testing.

With their robust multi-walled construction, four-sided locking system, and interior options such as inner safes or pull-out filing frames, these models provide versatile solutions for offices, practices or archival use.

Wuppertal and Berlin combine certified burglary resistance with proven fire protection – available in multiple sizes and finishes.

Fire resistant 60 min for paper Wuppertal

Fire resistant 120 min for paper Berlin and Prague

Break-in resistant class 1, 2

Indicative value retention class 1: € 10 000 cash or € 20 000 valuables

Indicative value retention class 2: € 25 000 cash or € 50 000 valuables

- Tested by VdS and certified by ECB.S in accordance with European standard EN 1143-1 in Grade I and II
- Wuppertal is fire tested 60 minutes for paper according to EN 1047-1 S60 P
- Berlin is fire tested 120 minutes for paper according to EN 1047-1 S120P.
- Multi-walled door and body padded with material with good burglary and fire resistant properties, as well as weight reduction.
- Three-sided locking with solid steel shots.
- Hook-in profile on the hinge side.
- Standard equipped with double bit key lock
- Height adjustable shelves
- Prepared for anchoring
- Color: RAL7035
