Additional information

brand: ATB Safes

ATB ST 50 - Armoured key cabinet for 50 keys

The ATB ST 50 is a robust key cabinet designed for the secure storage of up to 50 keys. The cabinet features a 5 mm steel door and a 3 mm steel body, with three-sided locking through solid steel bolts. Internal hinges prevent direct access to the hinge side and allow for a door opening of up to 90°.

The ST 50 is standard equipped with a Pulse Pro 2 electronic code lock, and the rear panel includes pre-drilled holes for secure wall anchoring.

See also our other key safes or read how to approach buying a safe in Belgium, with delivery and installation by our own team.
