

Atelier Boonen - Chubb safes Consul

Additional information

Chubb safes Consul - Burglary-resistant safe (EN 1143-1, Grade 0 or I)

The Chubb safes Consul is a lightweight safe certified to EN 1143-1, Grade 0 or I, tested and approved by ECB-S. This series offers a cost-effective solution for those seeking a reliable entry-level model with certified protection.

The safe features a multi-walled construction with burglary-resistant infill. The door includes a 10mm thick steel plate and a three-sided locking mechanism with solid bolts. The recessed door design and internal hinges minimise potential attack surfaces.

Anchoring to the floor or rear wall is possible; mounting hardware is included.

Standard models come with a double-bitted key lock. Optionally available with various electronic code locks, including models with time delay and multiple user codes.

Available in multiple sizes, with internal volumes ranging from 13 to 82 litres. From model 25 upwards, storage of A4 binders is supported.

Burglary-resistant Class 1

Indicative value storage class 1: € 10 000 cash or € 20 000 valuables
