Atelier Boonen - Chubbsafes VEGA

Additional information

brand: Chubbsafes

Chubbsafes Vega M40 – Burglar-Resistant Safe (EN 1143-1 Grade V)

The Chubbsafes Vega M40 is a compact, ECB·S-certified Grade V safe, tailored for residential and light commercial use. With its modest dimensions (485 × 525 × 498 mm), it fits neatly into wardrobes, furniture or under counters, without compromising on security.

Tested and certified to EN 1143-1 by ECB·S, the Vega M40 offers high resistance to burglary attacks. The locking system features 32 mm solid steel bolts on all four sides, operated by two high-security EN 1300-certified key locks. Optional locking systems include mechanical combination or electronic code locks.

Inside, it includes an adjustable shelf, two protective cork mats, and a rechargeable magnetic USB LED light. With a capacity of 39 litres and a total weight of 296 kg, it offers robust protection while remaining easy to integrate into existing spaces.

The Vega M40 can be anchored to the floor or rear wall for added security. It is the ideal choice for anyone seeking a certified, compact and high-grade burglary-resistant safe.
