

Atelier Boonen - DRS Prisma Deposit

Additional information

brand: De Raat Safes

Deposit safe with a large deposit drawer, certified in grade 1, 2 or 3

With the DRS Prisma Deposit by De Raat, you deposit cash in seal bags, envelopes or cassettes without opening the safe itself. The deposit drawer is spacious, with internal dimensions of 130 × 370 × 230 mm, so larger packages also go in easily. The safe is certified burglary resistant according to EN 1143-2, the standard for deposit safes, in grade 1, 2 or 3. It is not fire resistant.

Each grade comes in two heights, with a volume of 50 or 115 litres. The door and the drawer each have a double-bit key lock. On the door, an electronic code lock or the MySafe Intelligent lock can be fitted instead. The drawer can optionally sit on the left, the right or the back, and the door can be left-hinged.

The safe is prepared for floor and wall anchoring. Without anchoring, the certified resistance grade is not guaranteed.

See also our [deposit safes](#) or read how to approach [buying a safe in Belgium](#), with delivery and installation by our own team.

Burglary resistant grade 1, 2 or 3 according to EN 1143-2

Not fire resistant
